Mayor Lifts Snow Emergency Order, Reminds Residents to Shovel Sidewalks

(LANSING) – Mayor Bernero today lifted his snow emergency declaration. This lifting of the mayor's emergency order takes effect at 6 p.m. today, March 3, 2016. The city's year-round prohibition on street parking between 2 a.m. and 5 a.m. remains in force.

Mayor Bernero reminded city residents once again to clear snow and ice from their sidewalks as soon as possible to allow safe passage for children, seniors and the disabled. City workers began enforcing the 24-hour requirement in the snow ordinance at 10 a.m. today. Residents who wish to assist the Lansing Fire Department are also asked to clear around fire hydrants near their property to ensure quick access in case they are needed by LFD.
